Welcome to the **Hagley Tramping Club** Newsletter.

The **Hagley Tramping Club** was originally established as the Hospital Tramping Club in 1974 with the aim of making the back country experience more accessible to the average person and to foster a respect for the wilderness.

The Club organises a variety of trips to suit all ages and levels of fitness. We encourage prospective new members to experience 2 or 3 trips to see if we suit their style before joining.

From your Chairperson

Hi Trampers

I don't know about you but it doesn't seem like twelve months since the last AGM rolled round and the general impression I get is that many of our members have been living in interesting times, I know I have.

In terms of the club it is a little hard to judge how we are going as with only a couple of weeks to go to AGM we are only showing about 12 paid up members, I

truly hope this is just a reflection of the fact that everyone is busy with their own lives and not the real state of the club's affairs.

We have been getting good numbers for our trips this year so expect it is business as usual. I hope you are all aware that we will be looking at some club rule changes at the AGM and also bringing some new officers on board as others retire so please make the time to attend if you want your say.

Please also remember that for most of our day trips now you need to check in with the leader beforehand so please note those details in the newsletter.

See you at the AGM or out In the hills.

NEW & IMPORTANT!

REMINDER Day Trip Bookings

The Committee decided recently to give Trip Leaders an option of requesting a notification from members planning to come on day trips.

This permits the Trip Leader to notify intended trampers if the trip is cancelled (generally due to poor weather) or not to make the early morning trip to the meeting place if no-one has indicated they are coming.

The general rule is that the Trip Leader should be notified of your intent to come at least by the day before the trip departs.

ADVANCED TRIP BOOKINGS

Note: **Queens Birthday Weekend** option has now been added to the program.

There was no trip planned in the previous Newsletter.

See details for Queens Birthday and note contact with Wendy is by 20 May.

Trip Reports

Easter – Carrington Hut

Leaders: Claire & Sergey; Team: Pat, Glenda, Dianna & Dennis

A really great Easter tramp – let me tell more.

Six of us headed up the Waimak Good Friday and soon passed a group having lunch also on their way to Carrington. We had our lunch at the Anticrow River and decided it was pretty good idea to break into a couple of teams. A fast team to secure six bunks and a not-so-fast team to take their time. It worked! We got bunks in the same room and as it happened the not-so-fast team wasn't very far behind the fast team anyway.

Entrée that night (courtesy of Claire & Sergey) was a real cheese fondue with chunks of bread dipped in the nice hot sauce. I ate so much didn't really need any tea after that.

That night the hut was packed, including people camped up in the porch and camping under the trees. Next morning the rain and strong wind had set in as forecast – a NW front. The hut was mostly emptied by parties heading to Barkers, Park Morpeth and Julia Hut. Late morning Claire & Sergey went for a walk to discover the conditions were pretty atrocious out in the open. We were a bit concerned about the safety of one of the family parties. Claire had anticipated a hut day and had carried in a 500 piece jigsaw of elephants in

savannah grass. Took us all day working in shifts, but it was very enjoyable.

Snacking, drinking coffee and doing a jigsaw, not a worry in the world!

That night a big alpine party arrived and left in torch light about 4.30am the next day for Barker Hut and Mt Murchison ascent. (Turned back about 200m from the summit). And two guys arrived about 1.00am having taken 10 hours from the car park including crossing the Waimak in the dark.

Next day dawned glorious. Claire, Sergey and Pat got away early for a round trip to Barker Hut and Glenda, Dianna & I left for Waimak Falls Hut round trip. Our trip was fantastic. One of the best day trips I've been on in recent times. Big river, big mountains, magnificent alpine valley. Really interesting negotiating our way to the hut (the track disappeared in places), with a 1 hour climb before the hut set in an alpine basin. Just before the hut is the 80m high Waimak Falls into a deep ravine. We had a boil up in the sun admiring the main divide ridge to the NE.

Next day was good again as we packed up and tramped out, stopping at Springfield for afternoon tea.

Personally, I was really maxed out up to Easter so this trip was more than what the Dr could have ordered to refresh, recharge and rejuvenate.

Thanks a lot Claire & Sergey, just loved it!!

As a safety precaution, a Personal Locator Beacon (PLB) is carried on all trips. The club owns two which have been purchased with funding from the Christchurch City Council.

Delayed Trip Returns

Return delays can be caused by for example, track closures (requiring a change in route), weather (affecting routes & rivers) and travel conditions (road closures & breakdowns). Consequently return times are always a bit uncertain.

If you have concerns about a delayed return please contact one of the following Club members: Sandra 027 224 0045; Dennis 03 359 1211; Tere 021 140 1104
