Overnight Trips

About our trips

Typical numbers on our trips are 4 – 10 people. For safety reasons, the minimum of people on a Club trip is four. However if there are fewer than four, the trip can still go ahead but becomes a private and not an official Club trip.

As a safety precaution, a Personal Locator Beacon (PLB) is carried on all trips.

Delayed Trip Returns

Return delays can be caused by for example, track closures (requiring a change in route), weather (affecting routes & rivers) and travel conditions (road closures & breakdowns). Consequently return times are always a bit uncertain.

If you have concerns about a delayed return please contact one of the following Club members: Wendy 354 2277, Dennis 021 243 9999; Tere 021 140 1104
